Subject: Thank You for Being a Judge and Mentor! We Appreciate Your Feedback

Dear Big Ideas Mentors and Judges,

On behalf of all the students who participated in Big Ideas this year, we want to thank you for your wonderful dedication and support! Your feedback through judging and mentorship challenged and inspired these students to develop innovative and viable projects. They could not have done it without you!

We hope that the process was very enjoyable and rewarding for you. To that end, we'd appreciate your feedback on improving our program for next year. Please consider taking 5 minutes participate in a short survey about your experience as a judge and/or mentor - this will help us better support the mentorship and judging processes in years to come!
