

Please note that this is an optional, but highly useful tool for mentors and teams to utilize during their mentorship. The Big Ideas team requires that all teams send us an email by February 7, 2016 with an update of whether or not they have met with their mentor, and how the process is going.

Mentor Resources

Mentors, please list your areas of expertise/experience that you think may be beneficial to this particular team. Please share these strengths with your finalist team.

- 1.
- 2.
- 3.

Mentor Suggestions/Goals for Mentorship

After reading the team's pre-proposal and/or meeting with the team to hear about their project ideas, please provide your initial suggestions or recommendations for improvement. Please share these thoughts with the team.

- 1.
- 2.
- 3.

Student Goals for Mentorship

Student teams, after reviewing the feedback provided by pre-proposal judges, please indicate the areas of your proposal you wish to significantly improve, or areas you would like help from your mentor to think about and improve. Please share these areas with your mentor.
