

WORKFORCE DEVELOPMENT

Develop workforce solutions that provide the technical knowledge, practical skills, and readiness necessary to secure employment and become self-sufficient.

GLOBAL HEALTH

Launch an action-oriented, interdisciplinary project that would help alleviate a global health concern among low-resource communities.

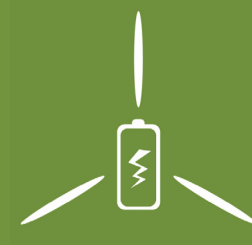

FOOD & AGRICULTURE

Address challenges confronting global food systems and develop solutions around food security, sustainability, access, waste, and nutrition.

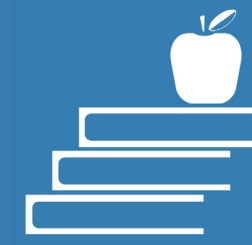

FINANCIAL INCLUSION

Create novel products, services, tools, or mechanisms that address unmet needs of the financially underserved.

ENERGY & RESOURCES

Encourage the adoption of clean energy alternatives that are sustainable and have the potential for broad impact.

EDUCATION & LITERACY

Develop a technology, program or policy to promote inclusive and equitable education, improve literacy, or enhance lifelong learning opportunities.

CITIES & COMMUNITIES

Propose a novel solution that leverages the capacity of technology to engage & enhance the well-being of campuses, communities, and cities.

ART & SOCIAL CHANGE

Create an innovative arts project that meaningfully engages with issues of advocacy, justice, and community-building.

Win up to \$20K for your social innovation!

The 2018-2019 Big Ideas Contest is open to all enrolled undergraduate and graduate students at Makerere University.

Big Ideas is an innovation contest that provides funding, training, networks, and recognition to interdisciplinary teams of students who have transformative solutions to real-world problems.

3-page pre-proposal application due November 20, 2019 at 12pm PT
